

# Retail-ready sound management solutions

**Bosch Plena Public Address Easy Line: versatile, reliable and extremely easy-to-use. The ideal sound solution for retailers.**

An inventive design idea, the source selection labels clearly mark the sound source – making the system extremely easy to use. Bosch even integrated smart equalizing, a behind-the-scenes technology that gives superb sound quality and excellent speech reproduction. Clearly, your sound management system just got a whole lot easier.

Invented for life

# Sound management just got a whole lot easier!

**Bosch Plena Public Address Easy Line: versatile, reliable and extremely easy-to-use - thanks to the smart setting indicators.** An inventive design idea, silver and red setting indicators prevent the volume and sound balance to be set too high or too low – making the system extremely easy to use. Bosch even integrated smart equalizing, a behind-the-scenes technology that gives superb sound quality and excellent speech reproduction. Clearly, your sound management system just got a whole lot easier.
